# **SUMMARY OF RULES OF THE GAME LEADER PROGRAM**

The main role of the game leader is to keep the game moving while limiting stoppages and assisting players with all restarts, **without blowing a whistle.** 

The role of a typical game official has changed at these young ages from being the adult in the middle who blows the whistle when a law has been broken, to being a person who can communicate effectively and appropriately with children, can create a fun, positive learning environment and assist them in their understanding of the game.

The Game Leader should:

<sup>\*</sup>use the "ready, set go" prompt to encourage quick restarts

<sup>\*</sup>ask children to pass or dribble the ball into play from all restarts rather than the aimless BIG KICK.

<sup>\*</sup>ensure the opposing team retreats to the halfway line for all goal line restarts.

## Game Leader, Small Sided Game and 9v9

#### In the 3v3, 4v4 or 5v5 game, the retreat line will be the halfway line.

What would happen is as follows: When the goalkeeper has the ball at a goal kick or after making a save, the opposing team members would 'retreat' to the halfway line. Once all opposing players have retreated to the line, the goalkeeper can successfully throw or pass the ball to one of his/her teammates. The goalkeeper can also choose to dribble the ball or play quickly to a teammate before the retreat has taken place by opposing players.

#### **PLAYERS SAFETY**

Players should not wear anything that endangers themselves or any other players.

- \*Basic equipment consists of shirt, shorts, socks, shin guards and appropriate footwear
- \*Jewelry is not permitted and cannot be taped over
- \*Sports hijabs/head scarves are permitted
- \*Medic alert bracelets and necklaces are permitted but must be fastened securely

A Game Leader must be made aware that a player is wearing a medic alert bracelet

#### STARTS AND RESTARTS OF PLAY

- \*The team that wins the coin toss shall decide which goal to attack. The other team takes the kick off.
- \*A drop ball will be awarded if there is an injury or interference from an outside agent.
- \*After a goal is scored, all players must be in their own half. Opponents must be a minimum of 3 metres away from the ball until it is played in.
- \*A goal cannot be scored directly from a kick off, it must be touched by a teammate or another player.
- \*There are no Direct Free Kicks or Penalty Kicks for U3-U8. All free kicks are indirect.

The game leader must attempt to explain to the players, in a friendly, calm, tone why there is an infringement.
